Dedication

To the students of the PAST
who have helped to make our school what it is
at the PRESENT
And who will continue to work with us to
make C. C. H. S. even better in the FUTURE

Foreword

THE PAST

The first high school in Cisne opened in September 1919 in a building that had once been a blacksmith shop. Later, arrangements were made with the grade school that the high school might share its building. The building pictured here then housed both the high school and the grade school until the fall of 1948 when the high school moved into its present home. The grades, this year, moved into their new structure.

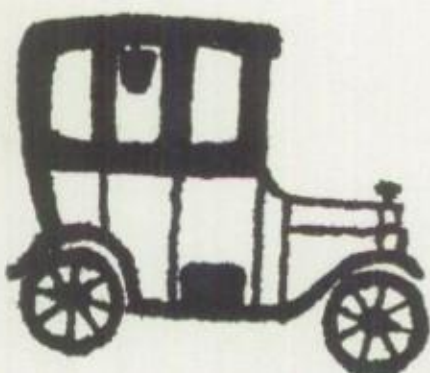

The old frame building whose walls have echoed the footsteps of so many school children has now been released from duty and replaced by the two modern brick buildings.

THE PRESENT year has seen the launching of man-made satellites both in Russia and in America. We realize that a thorough education is even more essential today than in the past and that what we learn here at CCHS will have much bearing upon our future. With the curriculum THE FUTURE will always hold for us memories of our friends and teachers of our school days with a special thought for that very first teacher. To us who started grade school in Cisne, that special first-grade teacher was

MRS. CORINNE SWEENEY

Mrs. Sweeney has long been associated with Cisne schools, having been a member of the first high school class in 1919-1920 and, until her retirement last spring, a teacher in the grade school. She was Cisne's "teacher of the year" for 1957.

With this brief sketch of the past
and high hopes for the future,
we are happy to record for you in this book
the happenings of the school year
1957-1958

Honor Club

This club was formed at Cisne Community High School this year. The idea was suggested by Mr. Leathers who had been a member and past president of a similar organization at Southern Illinois University. The organization followed the idea of Southern's and was purely for the betterment of the school. It was started with 12 original members and then after its organization was finally started, new members were taken in. We believe that this is a fine organization and we hope to see it continued during the future at Cisne Community High School. President, Leslie Wylie; Secretary, David Lashbrook; Reporter, Joe Galbraith, Members: Margel Shehorn, Kenneth Holbaugh, Jerry Walters, Gus Reid, Jerry Williams, Bob Bolen, Leon Dalton, Bill Taylor, Eber Pennington, Lewis Hilliard, Durward Hilliard, Sheldon Keyser, Larry Shelton, Tom Grant, Vernon Deselms.

"EVENING IN PARIS"

The French banquet was held in the school cafeteria with Parisian decorations and favors. Food was served by lovely French waitresses.

Picturesque decorations set the scene of gay Paree, the city of l'amour and romance. Behind the lovely flower garden arose the inspirational Eiffel Tower.

The Grand March led the Mesdemoiselles and Messieurs into an evening where Paris was in her gayest mood resplendent in moonlight and silver stars.
